Dear Parents/Guardians,

The student accident program provides M-DCPS students and their families with a means to pay medical bills, if they are involved in an accident, at very low cost.

The Miami-Dade County School Board has selected Starr Indemnity and Liability Company through Insurance For Students as the provider for the voluntary student accident insurance program for the 2017-2018 school year. This low cost accident coverage is offered to all students entering M-DCPS throughout the year. Students purchase the coverage voluntarily at their own expense.

Health Specialty Risk, Inc. (HSR) continues to be the administrator for this program. In an effort to be “greener”, students should be enrolled online at www.K12StudentInsurance.com. The school will only be provided with a small supply of paper brochures for students who do not have the ability to enroll online.

The student accident insurance program cost is as follows:
