See how innovative and creative teachers provide opportunities for our students to explore Science, Technology, Engineering, Art and Mathematics (S.T.E.A.M.)  
5:30-7:00 PM

Come and admire students' work on display throughout the school, see them perform and hear them recite poems they've learned in Spanish. You can also visit our S.T.E.A.M. displays in the cafeteria. The best part is watching the pride in the children's faces as they show off their accomplishments!

**A NO HOMEWORK PASS WILL BE ISSUED TO ALL STUDENTS WHO ATTEND THE EVENT.**
